

Kenya Connection

2010 Was a Year of Miracles

At the beginning of each new year, we look back with grateful hearts and reflect on the miracles evident throughout Mountain Park Academy (MPA) and its community—miracles which have sprung from your generous contributions, your *love in action*.

Over 500 children like Lawrence and John wake up every morning to a new world which you as a partner in The Kenya Project have helped to create. It's a world with clean drinking water and electricity, a school with a library and excellent

teachers, and a dining hall providing two nutritious meals daily.

Thanks to your love in action, children like Silvia, who have lost their parents and their homes, can now wake up in a comfortable new children's home with loving house parents and siblings.

Through your love in action, these young children continue to grow mentally, spiritually, and physically, and they are gaining skills which will offer them a much brighter future.

We thank you for being a vital part of our mission in 2010.

See page 2 for an update on our 2010 projects. Thanks so much for your faithfulness in giving financial and prayer support.

2011 brings many more exciting opportunities to serve the children and families in Kenya. With your support, prayers, and generosity and God's blessings, this ministry will continue to work with Mountain Park Academy to change their lives for the better.

May God bless you as you have blessed the children.

The Kenya Project Board of Directors

Information for Sponsors

Letters from Your Sponsored Children

We will continue to let you know how your sponsored children are doing. The mission teams always return with letters from the children, and we will send them on to you.

Your Email Address

Please update us at our email address on page 2 with your preferred email address so we can make sure you are included in future emailings.

Card, Letters and Packages

The children love to hear from you. You can send your cards and letters to our address on page 2, and we will have them hand-delivered by one of our mission teams. The children enjoy getting photos of you and your family. Many sponsors have asked if they can send a gift with their letters. We encourage you to only send small gifts that can be enclosed in your envelope, such as stickers,

bookmarks, or a pencil (but please do not enclose money). We ask that you do not send large packages as trunk space is limited and packed with supplies needed for our missions.

Tuition Payments

Tuition payment questions can be sent to our email address on the back. At this time we do not have an online payment system for tuition. However, some banks allow automatic

Silvia

2010 Projects at a Glance

Mission Teams

The Kenya Project sent five mission teams to MPA during 2010. If you are interested in participating in our mission ministry, contact Gideon Robi at our email address. Go to our website to read about our exciting 2011 mission opportunities.

Lower School

The lower school construction began so that MPA can provide a safe and healthy environment for the youngest students. Go to <http://littleones.notlong.com> to see a beautiful message about the little ones who will benefit most from the new building.

Children's Homes

Construction began on two new children's homes. This ministry provides much needed homes for orphans at MPA. Please go to www.angelofkenya.com and enjoy the video, *Angel of Kenya*, a moving tribute to this ministry.

Chicken Houses

Construction began on the first of four chicken houses that will eventually produce almost 800 eggs per day. The poultry project will improve the diet of the school children, provide surplus eggs to sell, and offer vocational education opportunities for students.

(Sponsors—Continued from page 1)

bank drafts for paying tuition. We still gratefully accept your tuition payments and checks at our mailing address.

Your Christmas Gifts

Thanks to your generous Christmas contributions, the children are much closer to seeing their Christmas wish come true—the completion of the new lower

school. Our plans are for the children to receive new shirts and blouses as well.
